

BOILER MAINTENANCE TRAINING SEMINAR

WITH EMPHASIS ON COST CONTAINMENT AND SAFE OPERATION

Course is approved for 4 PEU's by St. Louis Mechanical Licensing Board

Quality Water Treatment, Inc. invites you to attend our Annual Fall Boiler Maintenance Training Seminar on **Wednesday, November 2, 2011** from 8:00 – 3:00 at the Airport Hilton at I-70 and Airport, St. Louis, Missouri.

We are proud to sponsor this educational program designed to help save energy dollars by improving your knowledge of mechanical maintenance, chemical treatment principles and how to be prepared for annual state and insurance inspections.

The cost of \$145 includes:

- ❖ Continental Breakfast (beginning at 7:30 a.m.) Lunch and Complimentary Parking
- ❖ Topics covered:
 - Green Water Treatment: EPA's Green Chemical Initiative, 12 principals of Green Chemistry, examples of green water treatment products
 - Scale and corrosion causes and prevention
 - Feed and control equipment
 - Chemical testing
 - Pretreatment, softeners, de-aerators
 - How to prepare for safety inspections
 - Acid de-scaling – do's and don'ts
 - Steam line corrosion
 - Safe operation of boilers and water treatment products
- ❖ Speakers to include:
 - Mr. Dan Krack, Certified Water Technologist
 - Mr. Dennis Dickenson
 - Mr. Roger Ross
 - Ms. Laura Stahlschmidt
- ❖ Reference Manual
- ❖ Question and Answer Session to address your specific needs
- ❖ Certificate of Completion
- ❖ Door Prize: Each attendant will be entered into a drawing to win two free St. Louis Cardinal's Tickets to a 2012 weekend game (game date to be determined in the Spring of 2012)

Overnight accommodations can be made by calling the St. Louis Airport Hilton 314-426-5500.

Complete and return the enclosed registration form along with method of payment by October 28, 2011 or call our office to reserve space for you or your group. Cancellations must be made 48 hours in advance to be refunded.
